MAINTENANCE AND WARNINGS

Before You Start

Please follow the steps below:

-  Check the packaging for any damage, deformation, or water stains. If there is significant damage, please contact us promptly.
-  Unpack the box and compare the contents with the parts list and hardware list to ensure all components and accessories are present and complete.
-  Please read the installation instructions carefully to understand the installation steps and precautions to ensure proper installation.
-  Clean the installation area in advance and ensure the ground is level and there is enough space to avoid damaging the furniture or making installation difficult.
-  Lay a protective mat on the ground to prevent scratching the floor during installation.

After-Sales Service

- If you encounter any issues or need technical support during use, please contact our after-sales team. We offer long-term maintenance and warranty services.

Precautions

- ⚠ This product is for indoor use only. Do not expose it to outdoor elements or high-humidity environments.
- ⚠ Keep the product away from high heat or open flames to prevent fire hazards.
- ⚠ Do not allow children to climb on the product, as this may cause tipping and result in personal injury.

Safety Warnings

- ⚠ If you notice any loose or damaged parts, stop using the product immediately and contact customer service.
- ⚠ Do not attempt to disassemble or replace any components yourself, as this may affect the stability and safety of the product.

Daily Maintenance

- Regularly clean the surface with a soft cloth to prevent dust accumulation.
- Do not use cleaning agents containing acids, alkalis, or corrosive substances, as they may damage the surface. It is recommended to use neutral cleaning agents or specialized furniture cleaners.
- Avoid exposing furniture to humid environments for extended periods. Use a dehumidifier or desiccant during humid weather.
- Avoid direct contact of furniture with water. If water is accidentally spilled, wipe it dry immediately.
- Avoid placing excessively heavy objects on the furniture: ensure the weight is within a reasonable load-bearing range.
- Avoid using sharp or rough items on the furniture surface to prevent scratches. Handle items gently when moving them.
