Before your installation, please make sure that you have all the parts listed on the manual. If you find something missing, stop installing and contact your supplier immediately.

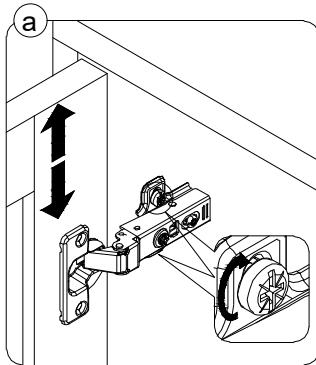

NOTE: Please do not completely tighten all the hardware until the entire assembly is completed! Be sure to tighten all the hardware once the assembly completed.

NOTE: Should be assembled on soft surface to keep balance.

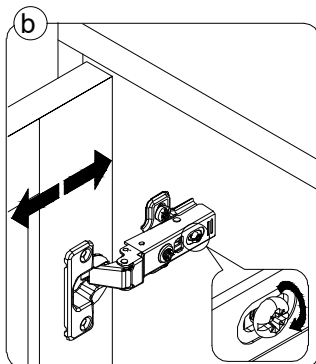

## IF HAVE THIS ACCESSORY

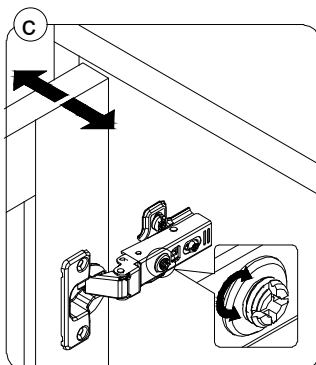

It may be necessary to adjust the hinges so that the doors align. Use the instructions below as a guide.

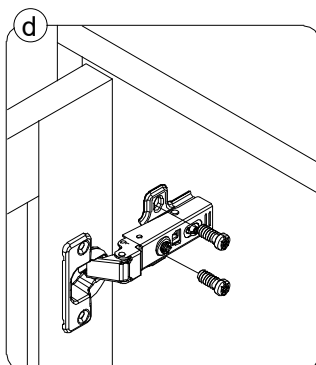

To adjust the door vertically loosen the screw as shown and move up and down as needed.

To adjust the gap from the door to the main frame turn the screw clockwise or anti-clockwise as needed.

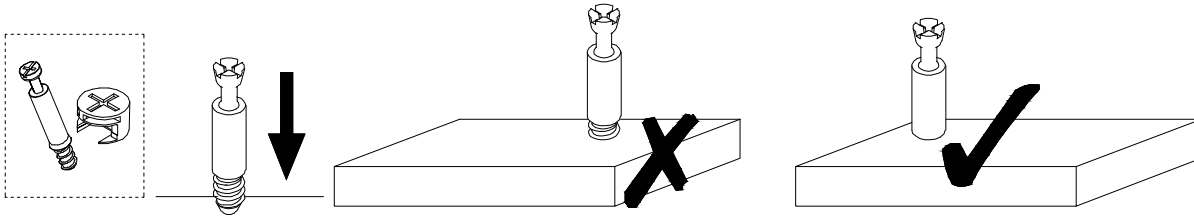

To adjust the door laterally adjust the screw as shown by turning clockwise or anti-clockwise.

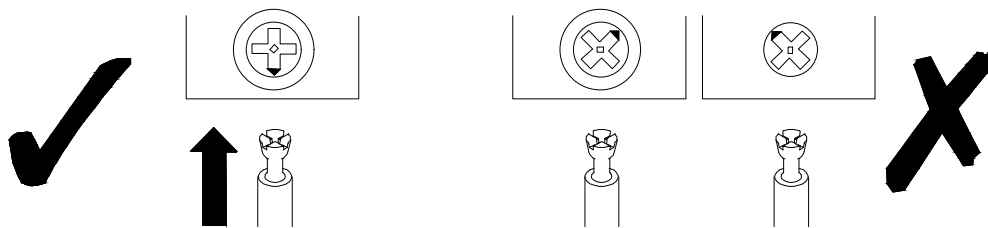

Please fix other screws.

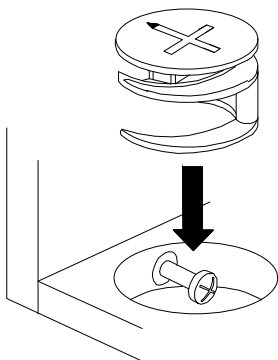

## IF HAVE THIS ACCESSORY
